Hey Girls! Here we go! Its time to.....

SADDLE UP AND RIDE!

Our goal this year is to get even more ride time, more group events such as, barrel practice, spoon and egg riding, pole bending practice and proper showing techniques. As always, you'll get your horse out of the pasture every day, you'll do the grooming, the saddling the bridling and then

YOU WILL DO THE RIDING!

The day will begin with a VERY special "alarm clock"!

After breakfast you will get your own horse to love and learn on. Between riding, your day will be filled with horse craft time, games, secret pasture picnics, hayrides and of course an evening campfire to share your stories of the day.

As you can see, we're all about the horses here, that's why Wild West is the best!

**** 3 HOURS OF RIDING DAILY!! ****
